Principal's Message

Lambrick Park has finished our 32nd year! What an amazing year it has been, too! Hopefully this Newsletter has kept you informed of our events, activities and successes this year; it is clear that our students continue to excel in all aspects of being socially responsible, contributing members of society.

This is the time of the year when we thank so many folks for working with our students on a number of different levels. To our coaches (both on staff and volunteer) – thank you so much for the connections you make with our students. Your commitment to hours of training and coaching provide valuable role modeling for our students. To our Educational Assistants – thank you for your patience and understanding while working with a variety of learners. To our parents – thank you for sending us your best. Your support of the school and all the aspects within it is appreciated greatly. To the teachers – thank you for your commitment to your profession. The work you do impacts the lives of so many young people; “The job of an educator is to teach students to see vitality in themselves.” (Joseph Campbell).

And, this is also the time of year when we say “goodbye” to staff who are, for a variety of reasons, not returning to Lambrick Park. To EAs: Caroline Verwoord, James Halston and Leslie Reid thanks for all your hard work. To Temporary staff: David Ashurst, Chris Ball, Tej Dhaliwal, Todd Hallett, Chris Koutogous and Donna Webster – good luck; we hope to see you return to Lambrick Park soon. And finally, to teachers Rick Cleghorn and Marnie Faunt: I’ve had the pleasure of working with both these consummate professionals for a number of years. I am consistently and thoroughly impressed by their willingness to take risks, learn and truly demonstrate the adage of “life long learning.” Both are retiring this year after full, rewarding careers; we wish them all the best in their future endeavors. “One of the beauties of teaching is that there is no limit to one's growth as a teacher, just as there is no knowing beforehand how much your students can learn.” (Herbert Kohl).

Please check the calendar of events to plan the rest of this school year. On behalf of the staff – I hope your summer break is restful and to our grads – good luck! School start again September 2 (Grades 10-12 come at 9:30-10:30), Grade 9s arrive at 10:45 and will be dismissed 12:15 pm.

Lambrick Parents Advisory Council

June 2008

To all Lambrick Parents:

With another school year rapidly coming to an end, we look back on some of the happenings this year. LAMPAC has met each month throughout the school year but our meetings are not generally well attended by the parent population with, on average, 12 – 15 people in attendance. LAMPAC meetings feature an update by the Vice-Principals and Principal on what's happening and about to happen in our school and Student Council reps are a great source of information that allows us to stay informed about the school life of our teens. LAMPAC also provides guidance to the School Planning Council and is an active proponent for our school in the community. We keep the meetings short and are often home between 8:30 and 9:00. It is such a small time commitment to make, and yet can make such a huge difference for you and your children. Please, come to a meeting and share your thoughts and ideas. **We welcome and encourage everyone to attend.**

On May 5th, LAMPAC held our AGM where a new Executive was elected for 2007-2008. Below is a picture of Principal Randi Falls presenting Susan Watts with a bouquet in recognition of all her dedication and hard work as LAMPAC president over the last 4 years.

From left are newly elected President -Troy Alexander, Principal- Randi Falls, Graduating President- Susan Watts, Vice- President- Jane Scholz and Secretary- Connie Fair. Also on the new Executive committee but not present for the photograph are Treasurer- Lisa Provan and VCPAC Representative- Marianne Pilon.

On behalf of the LAMPAC Executive, I would like to thank our Administration for their fabulous support. It has been a true pleasure to work with Ms Falls. She is organized, quick with communication and always full of humour to help us see things through. We also thank Mrs. Trumpy and Mr Pitre, our Vice-Principals, who do an amazing job. We thank them for all their hard work and dedication.

On a personal note, I'd like to thank the wonderful parents who have, and continue to, support our students. It has been such a pleasure for me to get to know so many of you and to call you friends. It's been an honour getting to know your children and watching them grow into young adults who we can all be proud of. Thank you for the amazing opportunity you allowed me. The involvement with these young people and the parents has provided me with great gifts. I hope more of you will take the time to come to some meetings next year and experience the feeling wonder and joy, while watching and listening to these young people. They really appreciate the effort and help we give them. I offer my best wishes to the new President, Troy Alexander and the rest of the LAMPAC Executive.

After four years as LAMPAC President, I am "graduating" this year along with my daughter. We have thoroughly enjoyed our five year experience at Lambrick, and will miss so much about it.

I wish you all a WARM, SUNNY, Restful and Safe Summer. Thanks for the amazing experiences!

LAMBRICK PARK CHOIR NEWS

The **Choral Music Program** has been very busy this past month with many performances. Concerts are an essential part of any music program and Lambrick Park singers are exceptionally active sharing their talent with audiences both at school and in the community.

"Another Shade of Blue" had a fabulous day at the School District #61's Vocal Jazz Extravaganza on May 6th. They benefitted from the workshop in the morning presented by clinician Eileen Cooper, then performed in the Oak Bay Theatre to a very enthusiastic audience that included fellow vocal jazz ensembles from other schools. This year's vocal jazz ensemble has been a stellar group of students who delivered a fine performance that evening.

All the LP singers did a super job at the "**Singing in the Spring**" annual Choir Soiree and Bake sale that was held on **Monday, June 2nd** in the Band room. This was a chance for parents, relatives, friends and LP staff (current and retired) to hear the Lambrick Park Choral Music Program of 2008 featuring the **Concert Choir, "Another Shade of Blue" Vocal Jazz, VOICES 2008, solos and duets**. We were pleased to welcome Matthew R. a special guest from the Gordon Head Middle School Music Program who sang with our choir and performed his own piano composition "Fantasy on a Winter's Night. Thank you to the choir students and parents who were kind enough to oversee the bake sale before and after the concert. A big thank you to all the Choir students who helped with set up and clean up. What an efficient group! Two days later the Concert Choir finished their year in style at the Lambrick Park Awards Night. They "oozed energy" as they sang two of their favourite pieces from this past year. What a special way to end a year of great memories.

Lambrick Park has 7 students accepted into the BC Music Educator's "Duets" Conference Provincial Honour Choir. We are proud of Adam McKenzie, Kevin Bazett, Maaike Von Kooten, Jessica Steele, Patricia Leon, Christina Bowie and Lauren Goodmanson who successfully auditioned for this ensemble and were chosen from applicants from all over BC. We are one of only two schools in Victoria with students accepted into this provincial choir. For the 3rd year in a row Lambrick Park will be the site of the Provincial Honour Choir's Regional Rehearsal in October 2008. The rehearsal will be under the direction of Mrs. Hughes and Mrs. Bazett.

Congratulations to **Bernard Lambrechts** who placed 2nd in the BC Performing Arts Festival in Burnaby on May 26th! Excellent results, **Bernard**! A note of recognition goes out to **Jessica Steele** and her work singing in the Victoria Children's Choir. Super work and good musical balancing act, **Jessica**! LP Choir students **Christina Bowie, Kevin Bazett, Jessica Steele** and **Bernard Lambrechts** were all involved in singing at a concert with **St. Dunstan's Musical Notes Youth Choir** which raised over \$5000 to aid the victims of the typhoon that caused destruction in Burma. Well done, singers! Congrats to **Silas Poon** who performed in the **Greater Victoria Performing Arts Festival**! As a young accomplished pianist we are proud of **Silas** and his musical accomplishments. Our LP Pride extends to our singers **Gavin Hastings, Talia Ruffolo** and **Emma Tanaka** who are on the LP track team. Excellent representation folks! **Maaike Vom Kooten** has had a winning year in Judo. We appreciate your many talents **Maaike**! We are so fortunate to have such a diverse group of singers who excel in many areas of their lives.

The Lambrick Park Choral Music Program recognizes students being important to our Concert Choir and/or Vocal Jazz. This month **“We Salute the Featured Choir Students” Brian Churchhill, Ritz Hozack, Selene Ren and Bernard Lambrechts** in appreciation of their contributions to the Choral Music program. Congratulations and thank you to all of these singers!

As this year comes to an end students are reminded that they must **return CLEAN sweaters and ties by Friday, June 13th**. All returned items must have the students name indicted when handing them in. Check your home for **stray choir music and folders**, as we will get charged for any lost items that we have borrowed from the district choral library. Even if you hand it in late we will have already had to pay our “fines”. Please help us not to utilize our resources that way and hand in your music. We will officially end this year with a lunch provided by Chef “General” Hughes for **“Another Shade of Blue” Vocal Jazz** on Wednesday, June 11 at noon in Annex41. On Thursday, June 12 the **Annual Choir Potluck , Formal Choir Awards** and those ever popular **Crazy Choir Awards** will be held in Annex 41. That will be that last official vocal music class for this year.

GRADE 12 OPTIONAL PROVINCIAL EXAMS

The B.C. Provincial Government (Ministry of Education) has designated all grade 12 Provincial exams, with the exception of Language Arts 12 (English 12 & Communications 12) and BC First Nations Studies, as OPTIONAL for students on the 2004 Graduation Program. It is the student's decision, not the school's, whether to write the optional Provincial exams.

NOTE: English 12 & Communications 12 exams are REQUIRED.

Optional exams are offered in the following courses at Lambrick Park:

Biology 12	History 12	French 12
Chemistry 12	Geography 12	Spanish 12
Physics 12	Math 12 (Principles, Applications & Essentials)	

Students who are registered for an optional exam but who do not attend the exam sitting will receive their school mark as their final mark for the course.

Students who are registered for an optional exam and who sign in for the exam, *regardless of whether they answer any of the questions*, will be considered to have made an exam attempt. Once an attempt has been made the exam will count toward the final mark, i.e., students can not opt to take their school mark only once they have attempted the exam. This attempt will count for 40 per cent of the student's final letter grade for the course. It is **extremely important** that students are aware of the implications of signing in for and attempting an exam.

If writing an optional provincial exam causes a student's final grade in a course to drop below 50%, graduation status may be affected.

OPTIONAL PROVINCIAL EXAMS & POST-SECONDARY REQUIREMENTS

University of Victoria & Camosun College

Currently, both Camosun College & UVic encourage students to write their provincial exams, but they don't require them. If students choose to write provincial exams, these institutions will use the higher score of EITHER the student's final class mark, OR their final, blended mark (class mark + provincial exam mark combined).

UBC, SFU & some BC Colleges

Provincial exams **are** required for September 2008 entrance to the University of BC, Simon Fraser University & some BC colleges.

Students & parents are advised to check with the specific institution if they are considering any other post-secondary schools.

OPTIONAL PROVINCIAL EXAMS & SCHOLARSHIP OPPORTUNITIES

Students **must** write optional provincial exams in order to be considered for the BC Government's Provincial Examinations Scholarships. Students must achieve scores of at least 86% on at least 3 provincial exams to be eligible for these \$1000 scholarships.

Provincial Exams are not required for UVic Entrance Scholarships.
